THE HENRY LAWSON HIGH SCHOOL

8 NOVEMBER 2019 TERM 4 ISSUE 4

## HOWZAT!!!

The Henry Lawson High School put on a absolutely dominant performance, defeating Cowra High School in the first round of the Lachlan Shield cricket competition.

A quick wicket had Cowra licking their lips early in the first session, but solid performances from Lachlan Smith (12), Bailey Edwards (18), and Riley Edwards (18) steadied the ship.

With the pressure firmly in our control heading into drinks, Riley Cartwright (32) and Tyler Byron (62\*) began to build a valuable mid-session partnership.

A late push from Ky O'Byrne (50) ensured that our total would be extremely formidable.

Riley Cartwright (3/19) sniped the wicket of one of their openers in our first over, which had Cowra shaking. Strong pressure from Bailey Edwards (0/19) at the other end kept them under wraps for the first session.

Lachlan Smith (3/13) was on fire, and lead the first-change bowling charge. A few absolute screamer catchers from Bailey Edwards in the slips kept Lachlan smiling all afternoon.

Taylor Keppie put the final nail in the coffin, taking an amazing catch, ending the innings of Cowra's most dangerous player.

Riley Edwards (2/13) and Benji Reid (1/9) swiftly cleaned up the tail end, leaving Cowra High School 200 runs short of victory.

## Principals Report

Have you seen our new signs?

Mea O'Byrne, our school based trainee in administration, has led a project to create new signage at the front of the school, in the quad and the hall.

The project was a long process that involved developing the original designs, negotiating the designs with the principal, school executive and P&C.

Mea worked with our school administration manager to obtain the required three quotes, coordinate necessary design changes with the business and confirm the financial transaction.

Mea engaged our general assistant to measure the proposed sites for the new signs to ensure the correct size was ordered and later she again engaged the schools general assistant to organise logistics and installation. Well done Mea on a successfully coordinating the creation and installation of our new signs.

It was a great start to the season for our under 15's cricket side with a very impressive win over Cowra High School. Congratulations to the side and Mr McKnight.

Our Year 7 and 8 students are travelling to Canberra and Sydney respectively next week on their excursions. Planning has been taking place over the past six months with Mr Amey, Miss Griffin and Ms McCulloch organising a range of activities lined up including a visit to the AIS and laser tag for Year 7's and Bondi Beach and taking in the stage show *School of Rock* for Year 8. We look forward to hearing all the news when you return.

Thank you to our staff and peer mentors for their involvement in the Year 6 transition day last Friday. It was a great day and we look forward to the transition day on Friday 22 November.

Have a great week

Aaron Flagg

Principal

This week Year 11 students took part in the RYDA program in Cowra. RYDA is designed for novice drivers and is a series of practical and powerful workshops that challenges students to change the way they think about road safety and helps lay the foundation for safe road use throughout their lives. Our thanks to Cowra Rotary for putting on this invaluable day.

# **GRENFELL AMATEUR SWIMMING CLUB NEWSLETTER**

## **ONLINE ENTRIES**

We remind swimmers and parents that you can only enter in the distance that the referees have approved each swimmer for. If the competitor is entered in the wrong distance they will be moved back to the correct distance.

This decision was made by the Committee last year, in consultation with the referees, with the view of further developing the junior swimmers stroke technique before they progress to a longer distance.

As with last year your child must begin in the 15m and cannot progress to the 25m or 50m distances in any stroke unless they are advised by the referees of their progression.

## **Years 7 and 8 Excursions**

Year 7 and 8 have only one week before they leave for their excursions. Thank you to students and parents for their prompt payment. If you have monies or permission notes outstanding, this needs to be organised prior to departure next week. Thank you to students and parents who have contributed to student fundraising for this event. Some extra funding has also been sourced from the School To Work Program, PACER rebate and school travel subsidies.

Students have been looking forward to their excursion. This week, parents should receive an updated letter with some last minute instructions accompanied by an updated itinerary.

We would also like students to contribute something towards morning tea/afternoon tea/supper for students to share whilst on their excursion. This will be packed inside an esky on departure and used at appropriate times for our students (rather than purchasing snacks). It is also important to pack and refill a water bottle for use throughout the excursion (rather than purchasing drinks.)

## **Year 12 UOW Discovery Day**

Students in Year 12 have the opportunity to attend the University of Wollongong's Discovery Day. This is where students will complete nominated workshops at UOW and talk to staff and students about things they need to consider if attending university. All Year 12 have been invited. Cost will be around \$65 as the university is paying for the accommodation and transport. If going, students must register online using the link and password sent to their school email address this week. A non-refundable payment must also be made this year. See Ms McCulloch for queries.

**What:** Year 12 Discovery Day

**When:** Tuesday 4 Feb 2020

**Cost:** approximately \$65 (non-refundable) payable by week 10

**To do:** register online and nominate workshops

## **Year 10 Work Experience**

Year 10 will be completing their second work experience during week 9 (9-13 December 2019).

Students will need to approach a business/employer to ask if they can spend the week learning on the job. If this suits the employer, students must get their Student Placement Record (SPR) completed and signed by their employer, parent and themselves before returning the paperwork to school for approval. Ms McCulloch requires the paperwork no later than class time (week 6). This will ensure that the paperwork is approved, checked, copied and returned to students during class time (week 8). Can parents please be vigilant with this paperwork and help to facilitate a speedy return to school?

If students/parents are having difficulty with their work experience options, please see Ms McCulloch (preferably not the day before!!)

## **WHS Whitecard**

Students have the opportunity to study for and obtain their WHS Whitecard through the school. This will be facilitated by our resident expert, Mr Mark Amey on Thursday 21 November 2019. Class will begin at 8am and finish at 3.20pm. Cost will be \$30. WHS Whitecard is imperative for any student wishing to work (or do work experience) in the construction industry. Students will need a USI number. To obtain one, go to [www.usi.gov.au](http://www.usi.gov.au) and follow the prompts with appropriate identification. Please do this prior to the allocated day. See Ms McCulloch with concerns.
