Rotary Driver Simulation

On Monday and Tuesday, Year 11 students had the opportunity to use a computer generated driving simulator. An initiative of the Rotary Club of Young, students practised their driving skills under different scenarios including driving under the influence of alcohol, managing the distractions of mobile phones, pedestrians and animals crossing the road and heavy traffic situations. On completion, students received feedback including how many times they crossed over the white line, driving infractions including failure to give way and if they had hit any vehicles, pedestrians or animals. Senior Constable Rennah Kentwell from NSW Police was on hand to explain the implications and consequences of the different driving infractions.

I found the mobile phone very distracting.
Chrystal

It was great and taught me the dangers of drink driving.
Aydan

I found it challenging. It was different to driving at home.
Casey

I was surprised just how hard it was to drive while impaired. The fuzzy screen made it really hard.
Mea

Receiving and sending text while driving is really dangerous. I crashed twice!

The Henry Lawson High School accepted a $3000 donation from the Grenfell Agricultural Bureau. The funding will be utilised to upgrade our sheep enterprise facilities. This gesture is very much appreciated and will go a long way towards supporting our student’s educational needs. Thank you to Robert Johnson, Ken Schaefer and other members of the Grenfell Agricultural Bureau for considering our school.

Our Year 11 leaders and staff have been visiting our feeder primary schools as part of our transition program. The purpose of the visits is to introduce our Year Adviser, Mrs Nicola Mitton, and Head Teacher, Ms Megan Crossley, to the Year 6 students and field any questions about the upcoming transition schedule and our school. Thank you for welcoming us into your schools. A big thank you to our Year 11 students who did a fantastic job sharing their high school experiences.

In 2018 the NSW Education Standards Authority (NESA) introduced the HSC minimum standard to ensure students have the key literacy and numeracy skills for life after school. From 2020, students in New South Wales will need to demonstrate a minimum standard of literacy and numeracy to receive the HSC credential. Our Year 10 and 11 students have been sitting the tests over the past week with great success. Students and parents will be informed of the results in the coming weeks.

Next week Anna Hunt will be competing at the Combined High School Soccer Championships in Sydney. Anna has been selected in the Western Region open girls’ team. They will play against all the combined high school teams from all over NSW. Day one sees them playing Sydney North and the NSW invitational team with the draw for day two and three dependant on Tuesday’s results. From this carnival two teams as well as shadows will be selected to play at the NSW All Schools Carnival in week 9 of this term. Good luck and all the best. Your school is very proud.

Awesome Soccer Kids – Message from Steve at Grenfell Public School
Well done to Adam Hewen, Anna Hunt, Brett Knight, Brendan Knight
Thanks for organising students to come down today for the soccer. They were all absolutely brilliant and we could not have done it without them or you.
Thanks again,
Steve Kilby

Message from Rotary
On Behalf of Rotary District 9700 I would like to thank you and the Henry Lawson High School for the opportunity to use the school facilities for our District Learning Assembly. We had over 100 Rotary members attending and the facilities are excellent for such a meeting. The Assembly was a great success.
I hope the relationship between the school and Rotary can continue into the future.

The Henry Lawson High School is participating in a free TAFE course for students 15 and over. YES (Youth Engagement Strategy) will expose students to educational pathways and training options while at school. The course is offered over 4 weeks where students attend TAFE in Young one day per week. Selected students will be participating in Hair and Beauty and Automotive.
Have a great week!

Premier’s Sporting Challenge

This week the sporting leaders class ran PSC Week to encourage students to participate in physical activity. Throughout the week leaders from Years 9 and 10 ran a range of sports during lunch times, including ping pong, touch football, basketball, indoor cricket and multisport.

While participating in the sports sessions, students were tracking their activity to fundraise for new sports equipment for the school.

The week was a success with great participation across all years.
