## Principal Report

### ANZAC Day

Many thanks and congratulations to those students and staff who represented The Henry Lawson High School at the town's ANZAC Day march and ceremony on Monday 25 April. It is a special event that brings many different town representatives together for the common cause of remembering and respecting the sacrifices of our fallen soldiers. Our school representatives did an amazing job at the town service. Our students showed their respect in many ways, including marching with our school, reading parts of the service and representing the cadets. We also had the opportunity to hear past student Corporal Kirsten McKellar speak of her experiences with the Australian Army. Well done everyone!

Every year Gunyah Craft Shop award scholarships to two students in Year 11. Last term Mrs Cuddihy presented Sophia Huxtable and Alex Moore with their scholarships to support their learning. Our thanks to Gunyah Craft Shop for their ongoing support of our students and our school.

The Henry Lawson High School P&C will be holding their monthly general meeting on Tuesday 3 May at 7pm the Rugby Union clubhouse. All parents and carers are invited to attend.

School photos will be held on Tuesday 17 May. All students are to be in full school uniform and we request that external appointments are not made on this day.

Congratulations to our 4x50 final in the CHS swimming championships of Mikayla Hughes, Sophie Hughes, Xanthe Johnson and Ella Mitton who made the relay final at CHS swimming championships. This is a higher level sporting achievement and truly remarkable for a small rural school. Well done girls.

Rhys Hughes together with the Western Region Open's Rugby Union team travelled to Coffs Harbour last week for the State Championships. The Western team came away with one win and three losses but from all reports, played very well against some very strong teams. Well done Rhys on your achievements.

Congratulations to Year 7 student Beau Bailey who recently claimed the 9 to under 16 years 125cc Speedway Australian title. A phenomenal achievement made even more remarkable by the fact that Beau is just 12 years of age. Congratulations Beau on being crowned Australian

A reminder that students must not attend school if they are displaying cold or flu-like symptoms. Students returning a positive test must isolate for 7 days and only return if symptom free. All positive tests should be communicated to the school.

Students who are close contacts can now return to school under amended provisions. A close contact status must be communicated to the school. Close contacts must return a negative RAT each morning for 5 days before attending school. Students who are close contacts will also need to wear a mask during class time at school.

The NSW Teachers Federation members will be stopping work for 24 hours on Wednesday 4 May 2022. The expected participation in the industrial action will mean the school will not have sufficient supervision and therefore will be non-operational on the day.

The school can be contacted on 63431390 if any further clarification is needed.

Congratulations go to the three students for their entries, two of which were finalists. The work is currently on display at the Cowra library.

# Accelerated Reader Rewards Program

The only way to accumulate points is to ... READ and pass the AR quiz (60%+)

**Accelerate Reader (AR)** is a reading program that Years 7, 8 and 9 participate in at school. Students choose a book at their own level, read at their own pace, and take a short computer quiz once finished. The quiz is an indication of how well the student understands what was read.

Each week, students aim to read 1 hour and 30 minutes at school. **Practice makes Perfect!**

This year we have introduced a rewards system. A massive well done and congratulations to Ella Mitton and Harry Robinson who start on our AR Hall of Fame from day one. Keep up the great reading!
