### Amber and Teleitha win gold!!

Amber Taylor and Teleitha O'Byrne have won gold in the girls open teams event at the CHS Squash Championships at Coffs Harbour last week.

Amber and Teleitha then medalled in the singles competition, ultimately being selected in the NSW CHS Squash team! Amber took the silver medal in the Under 15's girls singles and Teleitha tied for third in the opens competition. Amber and Teleitha will now compete at the national competition to be held in Queensland in August.

Rhys was valiant in his games and came up against some very strong competition.

Congratulations Rhys, Amber and Teleitha and we wish Amber and Teleitha all the best in their upcoming competition.

Our thanks to those who supported our stall at the recent Henry Lawson Festival.

The scratchie tree proved to be a huge hit with the winner being a visitor to the town.

Henry's Harvest has been cooking up a storm, and sold many boxes of their delicious sauces and relishes. If you missed out and wish to purchase some, please contact the school.

Through analysing a vast collection of evidence including eyewitness accounts and the famous Zapruder film, Year 11 finalised their view on the issues surrounding the lone gunman theory in a group presentation. 'Who really killed JFK?' continues to be a controversial question that historians and students alike are desperately trying to answer.

## Reconciliation Week

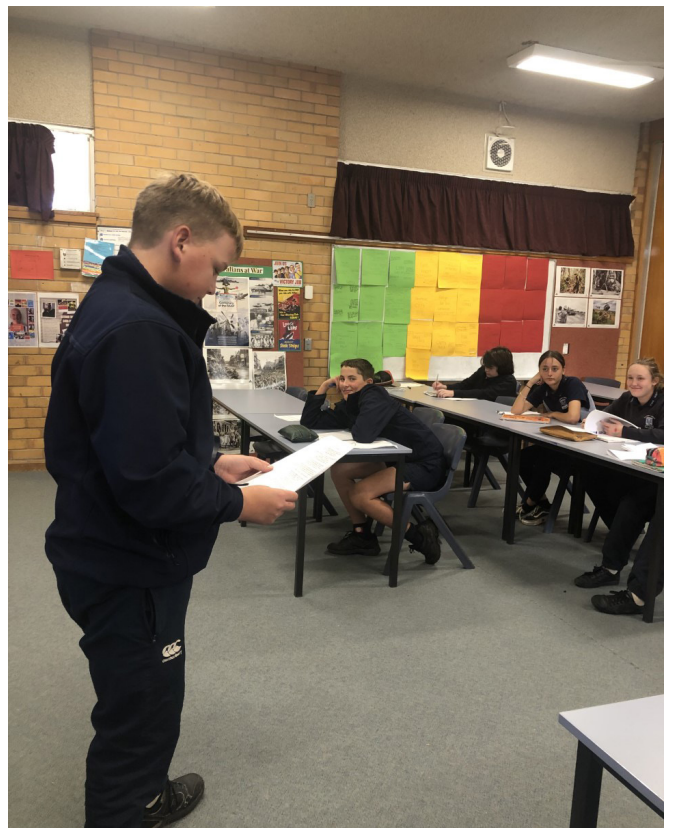

Last week we celebrated National Reconciliation Week. Each year Reconciliation Week is celebrated from 27 May to 3 June to provide the opportunity to learn more about our shared histories, cultures and achievements, as well as exploring our collective responsibility to contribute to reconciliation in Australia.

This year's theme was: Be Brave. Make Change and is a challenge to all Australians - individuals, families, communities, organisations and government - to Be Brave so we can Make Change for the benefit of all Australians. In our wellbeing lessons we explored what being brave looks like and what changes we can all do to help make Australia a better place for everyone.

## Performance poetry

This semester, Year 8 have been working hard to create some exciting poetry in English. We have been studying different written and performance techniques that they can implement in their own performance poem. For the task students had to compose a poem that told an original story from an Australian voice and perform in front of the class. We were treated with the tales of farmers fighting the government, truck drivers losing their loads and even made a trip to Comic Con.
