School resumes on Tuesday 18 July.**

CHALLENGE, ENCOURAGE, ACHIEVE

49 SOUTH STREET, GRENELL NSW 2810

02 6343 1390

www.henrylawson-h.schools@det.nsw.edu.au

RAFFLE WINNERS

Thank you to following parents Paul Taylor, Scott Baker, Shawn Nowlan and Mark Loader who cut the load of wood donated to the school for the Gold Merit Ski Trip raffle. Congratulations to Wendy Ryan from Cowra who won the load of wood.

Thank you also to Golden Glance Nursery in Young who donated the wattle tree for the Year 12 fundraiser. Congratulations to Jenny Armstrong who won the scratch ticket tree.

Over the June Long Weekend Year 12 raised over \$500 for their chosen charity - The Brainchild Foundation, Well done! Students also raised over \$400 to help with the cost of the Gold Merit Ski Trip.

Congratulations to Jacqlyn Hughes on winning the wood holder kindly engineered and donated by Josh Liebich!

Thank you to everyone for their support.

SCHOOL EXPECTATION DRAW

Week 8

Improving - Adelaide Nowlan, Responsible - Joshua Clarke, Positive - Annabella Taylor, Prepared - Grace Jolliffe, Respectful - Emma Mc Away

Week 9

Respectful - Blair Randall, Positive - Maddison Martin, Prepared - Phoebe Heathcote, Responsible - Raphaella Macmillan, Improving - Braydon Jewell (Absent)

Congratulations to the five students who received a \$5 canteen voucher in the weekly draw from all the reward tickets that were issued in the last two weeks.

Reward tickets are issued to students in recognition of meeting our whole school expectations of *Prepared*, *Improving*, *Respectful*, *Positive* and *Responsible*.

The whole school expectations are designed to support student understanding and engage positive and respectful relationships, while contributing points to their house.

Year 11 Agriculture Farm Case Study

Last Thursday Year 11 agriculture students conducted a farm case study at Ian and Jenny Armstrong's farm, "Brentwood." This was a great opportunity to learn more about farming in our local district. The students discovered which enterprises were on the farm and why the farmer made the decisions they did with managing the crops, pastures and livestock. We learnt about which varieties of pasture grow well and the sheep bloodlines for different markets. The other focus of the excursion was assessing the technologies used on the farm and suggesting future possible improvements.

Michelle Walker, Brodie Petty, Brayden Dowd and Harry Forde had an enjoyable day and were appreciative of the time Ian Armstrong gave to explaining his property details and taking us for a tour. This was a great learning opportunity for our students to support what they have learnt in class and to assist in preparing their assessment.

The Henry Lawson High School's Years 9 and 10 Science and Engineering Team Wool Shed Clean-up Fundraiser

\$250 – (5 to 10 workers for 3 hours)

Hire a team of students to clean your woolshed -

- Rubbish picked up and removed.
- Wool bins cleaned
- Shed swept
- Floors washed
- Wool picked and put into butts
- Clear fridges out
- Sanitise kitchen spaces
- And more ...

****We are unable to remove chemical drums etc, or use electric wool presses.**

Netball NSW Cowra Schools Cup

Netball is alive and well at THLHS. Three teams participated in a great gala day at Cowra. Our year 7/8 girls' team and 9/10 girls' team played valiantly against teams from much larger schools, winning some, losing some and drawing some. They participated in a spirit of fun and friendship which brought a sparkle to the day.

The 9/10 boys' team, helped out by four Year 7s, also showed great spirit and sportsmanship against a couple of teams who were more intent on basketball plays. Nevertheless, they rose to the challenge, showed great athleticism and came away with a win.

Our students were also impressive in their capability to manage their own teams, organising positions and subs, ensuring they were on court and on time, setting up and packing up.

We thank the students who managed their teams, the students who also umpired on the day and Sophie Berry, Mikayla Hughes and Brodie Petty who were presented as umpires/managers, unable to participate as players.

YEAR 10

FIRST AID

Congratulations to all the Year 10 students who have successfully completed their Statement of Attainment in Provide First Aid! Your dedication and commitment to learning such a crucial skill are truly commendable.

By obtaining this certification, you have equipped yourselves with the knowledge and confidence to handle emergency situations effectively. The ability to provide first aid can make a significant difference in someone's life, and your training has prepared you to do just that.

Snips

This week THLHS had a special staff member beginning a trial program as a School Support Dog. Snips, the 2 year old Bordoodle joined Mrs Makin's classes on Wednesday as well as enjoying greeting students at recess and lunch.

He attended Peer Reading, enjoyed some one on one reading in AR with Year 8 Science before they continued work on their assignments and participated in the Year 11/12 Biology lesson.

The social and mental benefits of students engaging with animals is well documented and we will be watching closely to see how we can best utilise Snips within our school.

If you have any questions or queries about this trial program please contact Mrs Makin or Mr Flagg.

Hospitality

On Monday, Year 12 Hospitality students stimulated a catering period for the staff. They had to prepare a variety of different foods and stimulated a three-course meal: entree, mains and dessert, for their cluster work. Students chose one food item to make, prepare and serve. The menu for the stimulate period was roast beetroot dip with flatbread and mediterranean antipasto tart for the entrees. For the mains, students made a Thai beef salad and a spicy calamari salad with a tropical dressing. The dessert was a Lebanese rose milk pudding and a brandy snapped basket filled with fresh fruit. Year 12 has an hour and a half to prepare the course. Pictured above are some of the student's work during the lesson. The Year 12 did a marvellous job!

**School Tights are now available at the
School Canteen for \$15.00**

Back To School NSW Vouchers Accepted.
Reminder, these Vouchers expire at the
end of June!

Careers News

Year 10 have been putting their best foot forward while out on work experience. They have called upon relatives, family friends, family work colleagues and unknown businesses to organise their week within the workplace. Students have travelled to Young, Cowra, Forbes, Gooloogong, West Wyalong, Wagga Wagga, Penrith, Sydney and Empire Bay. This would not be possible without the many local businesses within our community that have supported our students. We thank them for providing guidance and support to our students throughout the week. Thank you to the following Grenfell businesses:

Grenfell Primary School
Conron Group
Bound Pages Bookshop
Bromar Engineering
Weddin Shire Council
Mick's Local Bakery
SE & J, MG & CM Griffiths

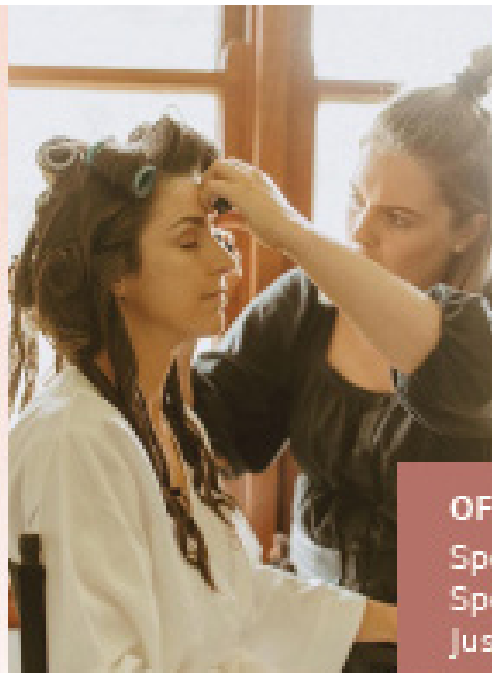

KB5 Fitness
Grenfell Pre School
Unwind
St Joseph's School
Hair By Kate
Kim Chi Bakery

Oliver's Hardware
Grenfell Pharmacy
CG Smith & RG Smith
AHRT Welding
Grahame Edwards Electrical
Gooloogong Public School
